### ***For everyone:***

As we build a Christian community based on mutual trust and respect, Montreat Conference Center seeks to respect the choices of individuals in expressing themselves while setting norms to establish an atmosphere conducive to faith development and personal growth.

Throughout the Youth Conference, participants are discouraged from wearing clothing that:

- is too revealing *(e.g., clothing that is too tight or transparent; clothing with extremely short hemlines; shirts that reveal a bare midriff; visible undergarments).*
- advertises alcohol, tobacco products or other substances abusive to the body.
- contains language or images that ridicule a person's gender, sexuality, or geographic/ethnic origin.
